

NHED 2010-2015 Strategic Plan Request for Feedback

The draft NHED Strategic Action Plan was developed by a committee representing a broad spectrum of constituents from each of the five colleges and their communities. The Office of the President welcomes your feedback on this draft, including your specific suggestions for how the plan might be strengthened.

Please take a moment to read the draft plan and answer the questions below. When complete, please forward your responses to Tracey Roy at troy@itascacc.edu or visit www.nhed.edu to complete the form online. Feedback will be collected until February 12, 2010.

Your input will help inform a final revision of the plan, which will then be reviewed and approved by the Strategic Planning Steering Committee in early March. Thank you for your thoughtful contribution to this process.

What about the plan do you most readily agree with?

What gives you pause?

What specific improvements do you suggest that may help strengthen the plan?

What additional comments/suggestion do you have related to the plan?
